

LEGISLATIVE CORNER

A message from the National organization:

NBEA supports national-, state-, and local-level efforts to ensure that business education is understood and valued by legislators, policymakers, business people, parents, and other critical audiences. NBEA's Legislative Advocacy Committee represents association members through ongoing liaison with Congress, federal officials, congressional committees, state legislatures, and other professional associations. Materials promoting business education are available to assist you in your conversations with [legislators](#), business people, parents, students, counselors, and administrators.

A message from the Regional organization:

WBEA wants you to be an active participant in enhancing and protecting your profession! WBEA is giving you the tools you need. Be sure to check out all the links and refer to them when needed.

If you need to access the latest legislative information go to acteonline.org there you can also find contact information on your state legislators, here's how:

On the home page click on the "Policy & Advocacy" link, it will take you to a page that will ask you for your zip code. Insert it and a page will come up with your areas legislator information; email, mailing address, phone numbers, etc. Also, on the sidebar you can see the latest Key Issues, Legislative Updates, an Action Center, and more.

Be sure to read the legislative updates emailed to you from your state liaison on a regular basis to stay informed.

Thank you,

Terry Ertman
